DELIVERING FOR OUR COMMUNITY

ACTION IN OUR AREA

LEFT: ATLANTIC ARRAY

Should the Array proceed, it is essential that the potential problems are offset by the benefits. As a Member of the Atlantic Array Advisory Group, Alison has made strong representation about the environmental, ecological, nautical and financial impact on the area, and the importance of preserving our quality of life.

ABOVE: RURAL HIGHWAYS

Devon has over 8000 miles of roads. Alison has fought strongly for maintenance of the rural roads in our Division and set up a Highways Meeting attended by 52 Parish Councillors to meet with top level officials. Good roads are vital for our tourist, farming, and delivery sectors, and our social life generally.

RIGHT: LOCAL PROJECTS

Alison has aimed to share her budget fairly throughout the Division. Projects supported include a Gymnastics Display Team, A Police Hub, Community Halls, Village Shows, and the restoration of a Clock Tower. Pictured: Bideford Gymnastics Display Team

LEFT: COASTAL ECONOMY

Because of Alison's family shipbuilding history, she serves on the Devon & Severn Fishing Conservation Association, and the North Devon Fisheries Local Action Group. Both historically and financially we are wedded to the Sea, the Lundy Marine Conservation Zone and our Tourist industry needs protection.

RIGHT: YOUTH

Young people need to learn, to develop their skills and build their confidence whether through family, schools or youth groups. Alison supports the next generation with great enthusiasm. Pictured: Alison visiting Clovelly Youth Group

ABOVE: COMMUNITY SPIRIT

Alison enthusiastically encourages projects which sustain village life. Quality of life can be enhanced with local support, kindness, and good will.

LEFT: EU REFERENDUM - IN OR OUT?

Alison is a long time supporter of the campaign to hold a referendum on Britain's membership of the European Union. She is delighted that a referendum will be held in 2017 if a Conservative government is elected.

Dear Resident,
I may not have met you individually, but as I am locally born and bred, I have found it very fulfilling to represent you for the past four years. I have worked closely with our Parish Councils to ensure positive liaison with County on the issues that arise our area. Please give me your support on the 2nd May.
