THREE YEARS OF ACTION FROM DEBO

Debo Sellis was elected as your County Councillor in May 2009. Since then she has been working hard to improve the lives of everyone in Tavistock.

- Has worked with and supported the local Parish Councils.

- Secured significant funding for local education provision (about £1.7 million).

LOCAL COMMUNITY ORIENTED COUNCILLOR

Debo is well known as being a down to earth community orientated councillor.

"I represent an Area of Outstanding Natural Beauty, a World Heritage Site and a predominately rural environment. Rural Devon is the bedrock of our County. Councillors should support the countryside and our communities to flourish sensitively and freely. Bureaucracy should be slashed and we must support self sufficiency to encourage individual, family and national prosperity"

Cllr Debo Sellis

Being well aware of the ageing population, fuel costs and employment deficiencies, Debo has been effective in supporting rural issues such as

transport, rural access to healthcare & getting better broadband cover in our area.

SUPPORTING TAVISTOCK HOSPITAL

- Debo fully supports Tavistock Hospital and is dedicated to a hospital provision remaining in Tavistock. Having been a nurse for over 30 years she is passionate about local health care provision and access to care.

- She has organised plans for car parking improvement which are now with the Hospital Trust to consider.

- She is supporting the initiative to make Tavistock a Dementia Friendly Town.

INVESTMENT IN OUR ROADS

Debo has helped secure significant investment in our road network. Our roads had been suffering following years of neglect by the Lib Dems.

Recent maintenance work has seen a decline in the number of potholes in Tavistock.
